SUMMARY

Driven senior web & app developer with 20 years of experience in web design and programming.

Works well in most environments, and great drive to constantly learn more, and master what I do.

EXPERIENCE

Cloud Developer 2022 - 2023
Enfo Group Hybrid

Working on developing website and system for customer.

- Working with HTML, CSS, JavaScript, Angular, AWS, Azure, Git.

Front End Developer 2021 - 2021
Navigraph Remote

Working on developing website and applications for developers.

Responsible for the development of their 3rd party developer portal.

- Working with HTML, CSS, JavaScript, React, Next JS, AWS, Git.

Senior Full Stack Developer 2000 - 2020
Peter Ahlgren Consulting Nora, Sweden

Freelance as a web designer and web developer for various companies around the world. During this time, I have had the opportunity to work with many different technologies, both front end and back end. I have also had the opportunity to educate others and write both books and articles.

Gained experience both in working individually and being part of both smaller and larger teams.

- * Hired to hold training courses in web design and programming by Lexicon.

*Wrote several books on programming and making apps for iOS.

* Created Flash games for Disney.

* Worked on website for Warner Bros.

Web Developer 2017 - 2018
Holid AB Remote

Working on developing Holid's platform. Worked with the entire chain from development to deploying new functions for customers on the internet.

- Working with HTML, CSS, JavaScript, PHP, MySQL, Git.
