WORK EXPERIENCE

Holid   2021 – Present
Full-Stack Developer   *Remote*
Developing Holid's platform. Working in the whole chain from developing to running new functions for the company's clients.
Developing in HTML, CSS, JavaScript, PHP, MySQL, Git.

PETER AHLGREN CONSULTING
Full-Stack Developer   2000 – Present
                                                           Remote

Freelancing as a web designer and web developer for different clients from all around the world. During this time, I have had the possibilities to work with many different technologies, both front end and back end. I have also had the possibilities to hold courses and educate others. I have also written several articles and books about programing and web design.

I have both been working alone and worked in teams of different sizes.

- I have been holding courses about web design and programming at Lexicon.
- Written several books about programing and development of apps to iOS.
- Developed Flash games for Disney.
- Worked on a homepage for Warner Bros.

DORMY GOLF & FASHION   2015 – 2016
Web developer   *Örebro*
Worked on Dormy's web site and e-commerce system, that is developed in C#, JavaScript and HTML/CSS3 (SCSS).
I was responsible for the development of their website for companies.
The technologies I was working with
- C# / .NET
- HTML5 / CSS3 / SCSS
- JavaScript
- Foundation

ECOSOFT   2001 – 2002
Web developer   *Nora*
Working with the development of their website, and the development of their economy/project-application PP7.
I also did some installations of their systems at their clients systems.
The technologies I was working with
- HTML / CSS
- ASP
- Visual Basic

SCB   1999
Programmer   *Örebro*
Working on their indoor system. Converted the source code from an old version of Visual Basic to a newer version.
The technologies I was working with
- Visual Basic
- MS SQL

EDUCATION AND TRAINING

- Application Developer: Nercia Educations in Örebro, 1998-1999.
- Tele / Data & programing: Katrineholms Technical School, 1996-1997.
- Several online courses at Udemy and other places in web development, React, JavaScript and more, 2015- 2021.

OTHER

- Team Leader for the Swedish Ubuntu Community for 1 year.
- Swedish and English both in talk and writing.
- Ultra Maraton runner.
